

Dear PSBC Alumni,

This is my second installment of the newsletter for the year. First off, I hope everyone enjoyed their Thanksgiving and spent a long weekend with their friends and family. Second, I hope everyone is crossing their fingers and hoping by some miracle that our Nittany Lions get a bid to the Orange Bowl. It would be a very nice vacation for me if we do.

Now onto more important things, now that Thanksgiving has passed, practice is now in full swing and everyone is getting ready for the season. Tryouts have commenced and we are now looking to pick up a few guys that could really benefit the team. Everyone is starting to get excited because even though winter is soon to come, baseball has started and that of course means spring is right around the corner.

This year we are playing a very competitive schedule that includes our conference opponents: University of Pittsburgh, Kent State University, and University of Buffalo. In addition we have in the midst of scheduling some non-conference opponents. For our annual Spring Break trip, the team has decided that we will be going to Florida to take on some top-notch competition to get us ready for the strenuous conference schedule.

A few quick reminders: first, if you know that anyone is missing from my contact list that did not receive the first newsletter that I sent out, please let me know so I can make sure everyone that wants to be on the list is getting team information. Second, we are still trying to fundraise to get new uniforms this year. If you have the means to help us out, we would be extremely appreciative and hopefully they can help us bring home a 2010 NCBA Championship. To do this, contact our Treasurer, Jesse Zahoran, at jdz5009@psu.edu OR send a check made payable to the "Penn State Baseball Club" to:

**Penn State Club Sports
Attn: Penn State Baseball Club
143 White Building
University Park, PA 16802**

Third, as we get closer to alumni weekend, we are trying to put together some additional activities other than just the annual alumni game. We were thinking of scheduling a golf outing for that Sunday afternoon. If you have any suggestions of things you might want to do in addition of playing a game, please let me know and we will try our best to accommodate for all of you. The dates we are thinking of for this year's alumni weekend are:

**April 17-18: Games vs. Pitt
April 24-25: Games vs. Buffalo**

Stay tuned for the exact date. It will be either of these two weekends and the annual **PSBC Formal** will most likely be held at a fraternity this year. All details will be made available on the "PSBC Alumni" tab on our website (www.thepsbc.com) as well as being sent directly to you.

November 2009

As a team we are very anxious for this season to start and we have been working and will continue to work very hard this off season because we know that championships are won in the offseason and we are trying our best to get in the best shape possible. If any of you are stopping by campus during the offseason please do not hesitate to let one of us know and to stop by practice, we would love to see any of you guys when you are in town.

Well that is all for now and I look forward to hearing from you
