

OCTOBER 2009

Dear PSBC Alumni,

Now that school is finally through its first full month and midterms are underway, I thought it would be a great time to send out my first of many emails to you. Let me start by introducing myself. My name is Jason Freeman and I am a junior political science major here at Penn State. This is my second year on the team and I play middle infield. As secretary, my main responsibility is to be the liaison between the team and the alumni. This year I hope to be in touch with you and keep everyone up to date on all things Penn State Baseball Club.

Now that October is almost halfway through that means that our Fall League is in full swing. This year we have made a few changes to league. The first main thing that we have changed is the traditional colors to our Fall League Jerseys. This year we now have Pink, Blue Camo, throwback Phillies colors, and Steelers colors. Also, we are no longer using the State College High School fields. Every weekend we are using the Babe Ruth Fields exclusively. The last big addition to the Fall League this year is the First Annual PSBC Homerun Derby. In two weeks, we are going to be hosting a Homerun Derby for all students who think they can hit one out. We hope this will not only be a great time for everyone involved, but a great way to make money for the team.

While we are on the topic of money, I would personally like to thank everyone who has either donated money to the team or sponsored a Fall League team this year. We are truly appreciative for all your generosity and it is a huge help for us when the spring rolls around. This year as a team we have decided it is time to get new uniforms. We have created a 'Jersey Fund' on our website so we can better manage exactly how much money we do need for the new uniforms. We are asking our alumni if they have the means to help us out. Our goal is \$2,500 and it cannot be attained without your help. If you would like to see a sample of what the uniforms will look like, please go to our website: [www.thePSBC.com](http://www.thePSBC.com) and click on the 'Jersey Fund' link and there will be model of what the uniforms will look like. If you would like to donate any money towards this fund, please visit our website and contact our Treasurer, Jesse Zahoran, [jdz5009@psu.edu](mailto:jdz5009@psu.edu).

If you have noticed, the web address to our website has changed. In fact, we have created a whole new webpage for our team. This new site enables us to do a lot more cool things like create a 'Jersey Fund.' In addition to the site, we are in the process of creating a password protected link to the site for alumni only. If this is something you would be in favor of, please let me know so we can get it done as soon as possible. On this protected link, we will put any upcoming dates for tailgates, the date for formal, and any donor information. If you have any other ideas of what you would like added to the site, please do not hesitate to email me with your suggestions.

Finally, if you have any updated contact information that you do not think I have or you think I may need in the near future please let me know what that is so I can make sure everyone receives all the information I will be sending out. I look forward to meeting everyone very soon and if you are in town for a football game, please stop by and watch a Fall League game. I hope everyone is enjoying football season and hopefully Joepa and our boys can win out.

I look forward to hearing back from you,

Jason Freeman  
PSBC Secretary
